> A very appalling and fatal accident oc cured last Wednesday, four miles southwest of here in the border of Stark county, at the saw-mill of Miller & Quick. It seems that the mill has become a loafing place for idlers, and Mr. Shanks being a spectator incautiously ventured too near the saw (running at will) which caught his coat tail, drew him up and cut his left arm half off, when he turned around and with his right side to the saw, which cut his right arm off through the shoulder joint. The arm was thrown by the force of the saw against the roof of the mill. Mr. Shanks dropped into the pit beneath the saw, from which he was extricated by Miller and Quick. "My God, catch that." was all he was heard to utter. He survived but fifteen minutes. A messenger was dispatched for medical aid, but long ere it arrived, he, who had but so recently stood in the vigor of manhood, lay limp and lifeless, a victim of heedlessness. The deceased was sixty years of age, and leaves

a wife and three daughters to mourn their Monday next, 21st inst., the voters of Union township, are to decide through the ballot whether we shall or shall not have Loudon, Laurel county, Ky., last Monday a railroad. Notwithstanding the long felt need of a railroad through this township, with all its attendent benefits, there are those who oppose it. Mr. A says that railroad companies are monopolies, hence should not be supported by the laboring the class. B. objects on the ground that he Remedy? It has cured thousands of does not think it just to impose a tax upon | that disgusting complaint, and it will back, April 12, 1879, aged 1 years, 1 his neighbor, who would not receive the same benefits that he would. This is certainly very commendable and christian like, but we are unable to conceive just why this good spirit should crop out in such bold relief in railroad matters only. C. opposes because his mother is wealthy Chilblains, Corns, and all kinds of and was once a widow, and is denied the right to vote. D. heard of a man who was Harvey Metchem has moved west 216 once swindled by a railroad company, and jest he too should be cheated, withholds support. Then there is Tom, Dick and Harry who can assign no excuse but propose to vote against it any how. To these various objections we wish to say it looks to us like roolishness for a man to cut off his nose to spite his face. Here comes an individual or a company, and says, Mr. B., for a general assortment of Hardware, T. P. Jackson has commenced the we propose to bring an enterprise into your community which will enhance the value of your property at least 25 per cent . for which we only ask of you in consider tion 2 per cent., 1 per cent. a year for two Mrs. Garner is having her house repair years. Are there any so blind they cannot see this advantage? or so prejudiced they will not precieve it? We take it for granted that there is not an intelligent clean, bright and staple, in original high degree of prosperity, wealth and trades can select their own goods, power to which our county has attained is and at wholesale prices.
